

My Patient Portal

12-08-2020

Managing your healthcare should be easy.

As an LMH Health patient, My Patient Portal allows you to manage your health information and contact your providers with the click of a button. With our secure online login or My Patient Portal app, you can:

- View your COVID-19 test results.
- View your other lab and imaging results.
- View your visit notes, summaries and vaccination records.
- Request and manage your appointments.
- Request medication refills.
- Securely message your doctor 24/7.

My Patient Portal should not be used to contact your doctor for medical emergencies that need immediate attention. Call 911 or go to the nearest emergency room.

Download the app

My Patient Portal app is available for to install on your Apple or Android device. Search for LMH Health My Patient Portal. Apple Health also connects with My Patient Portal to provide easy access to your medical records.

Login with your desktop or laptop

Go to lmh.org/portal to login to your account securely.

LMH Health privacy policy and civil rights information are available to review at lmh.org/portal.

Sign Up Today

Self-register online
